

Registration No:	Photograph	Education Details	Technical Skills	Project Details	General Comments
2012cs066	Need to be more formal	<ul style="list-style-type: none"> Rename the header to “Educational Qualifications” Move this section before skills if possible Add current GPA and some subjects where u have higher grades(A-/A/A+) 	<ul style="list-style-type: none"> Omit the phrase “Strong knowledge” in skills MySQL is not a programming language 	OK	<ul style="list-style-type: none"> Create a proper public LinkedIn URL!!! Change “I always need to achieve the target up to the best in my own unique way” sentence to something which means the same, but in short. Ex: produce novel solutions to the challenges, etc. Rephrase “It is being pleasure if I can face challenges”. Remove “Personal Information” section, you already have those details on the top. Text seems a bit piled up. Maybe use a different font?
2012cs080	Seems ok, better if can replace with a more close-up photo	<ul style="list-style-type: none"> Uni details should come to top. No need to elaborate on O/L, A/L results. Just say 6 As, 2 Bs, 2 Cs. Add current GPA and some subjects where u have higher grades(A-/A/A+) 	<ul style="list-style-type: none"> Don’t use “average knowledge”, use “familiar” instead. Remove ‘IDE’ & “platforms” items from the list. 	OK	<ul style="list-style-type: none"> Increase font size!!! Create a proper public LinkedIn URL!!! Including a blog link is a plus point, but try to include more productive posts in it. Objective doesn’t necessarily be about the internship. However, it seems ok in this context. I don’t think you can use CMJD as a professional qualification as it is not presented by a professional body. Don’t you have to complete CIMA to use it as a professional qualification? Omit institute names when mentioning professional qualifications. Remove the last information certification section.
2012cs107	Need to be more formal	<ul style="list-style-type: none"> Rename the header to “Educational 	<ul style="list-style-type: none"> Rename the header to “Technical 	OK	<ul style="list-style-type: none"> LinkedIn is a single word Rename the header to “Professional Membership”

		Qualifications"	Skills"		<ul style="list-style-type: none"> • Language section is not needed • Move Personal Details to top • Change header to "Extra-Curricular Activities"
2012cs108	OK		<ul style="list-style-type: none"> • Don't use "fair knowledge" , use "familiar" instead. • Replace "Good at Java, C, C#" with "Proficient in Java, C, C#" with 	<ul style="list-style-type: none"> • Do something to make titles of projects stand out from the text(bold,under line, etc.) 	<ul style="list-style-type: none"> • Add contacts and other personal details to the top • Start statement as "To obtain a position..." • Remove Personal Details and move it to the top • Remove the last statement regarding correct information
2012cs139	OK, use proper height and width	OK	<ul style="list-style-type: none"> • Separate your soft and technical skills 	OK	<ul style="list-style-type: none"> • People don't know your address or telephone. Take a second to label those details as "Address:" • When writing an address, use comma instead of slashes. • Move personal details section to top • NICE SIMPLE TEMPLATE FOR A CV!
2012cs145	Need to be more formal	OK	OK	OK	<ul style="list-style-type: none"> • Move personal details section to top • Remove the last statement regarding correct information • Be concerned about page breaks (happening in a middle of a section)
2012cs148	Good				<ul style="list-style-type: none"> • Avoid using icons(LinkedIn) • Move personal details section to top • Convention is to use 2 references • NICE SIMPLE TEMPLATE FOR A CV!
